Colin Robertson, Employability Policy Lead, Scottish Government

10.0-10.45 Discussion

What is the impact of participation in adult learning employability?

What is the relationship between these?

How are employability outcomes defined and measured in studies on adult learning and skills?

What is the impact of adult learning on individuals' empowerment and progress into employability?

To what extent do skills professionals understand the role of learning in improving employment outcomes?

To what extent do learning professionals (tutors and leaders) recognise learning for employability as part of their role and do they get support for it?
